

## Pastel Handlettering

## Step-by-step guide

1

Print the “Fly away with me” template and shade the back of the paper with a soft pencil. Then place the template on the paper with the lettering facing up. Fix the lettering so that it doesn’t slip.

Trace over all the outlines with the [Noris jumbo 119](#). The motif is transferred to the paper by the pressure.

**Tip:** A mechanical pencil can be used to trace over fine lines if necessary. The [graphite 777](#) is particularly suitable if a line has been missed out or forgotten during the transferring of the lettering.

2

Now you can colour in the wider parts of the lettering. Start with a dark shade from the [pastel coloured pencils 146](#) and then make the lettering progressively lighter. Slightly overlapping the colours creates a flow effect.

3

Then trace over the thin lines with the [triplus color 323](#). The choice of colour is based on the shade of the coloured pencils.

4

Now we need sharpening residues. So sharpen the coloured pencils that were being used before.

**Tip:** To get longer sharpening residues, sharpen the pencils without the sharpener's collection tub.

5

If you can still see small pencil residues, remove these now.

6

Use a pair of tweezers to place the sharpening residues precisely. Glue them down with super glue gel.

7

Using a fineliner, draw the antennae above the sharpening residues. Now the butterflies and the lettering are ready.

## Overview of materials

## What you need

Product	Article no.	Quantity
<b>Noris® jumbo 119</b> Learner's pencil - 3 blistercards each containing 2 learner's pencils in assorted pastel colours	119 BK2 PA	1
<b>graphite 777</b> Mechanical pencil - Blistercard containing 1 mechanical pencil, line width 0.5 mm in assorted barell colours	777 05BKPA	1
<b>STAEDTLER® 146C</b> Coloured pencil - Cardboard box containing 12 coloured pencils in assorted colours, pastel	146 C12 PA	1
<b>triplus® color 323</b> Triangular fibre-tip pen - STAEDTLER box containing 6 triplus color in assorted colours, Pastel	323 SB6 PA	1
<b>triplus® fineliner 334</b> Triangular fineliner - STAEDTLER box containing 6 triplus fineliner in assorted colours, Pastel	334 SB6 PA	1
<b>STAEDTLER® 512 PS2</b> Double-hole covered sharpener - Blistercard containing 1 double-hole sharpener	512PS2BKPA	1

### Additionally required:

Tweezers, sheet of paper, super glue, template
