

FIMO kids - Funny Cats

Step-by-step tutorial

Cut off 3 portions of Grey FIMO, press it into a ball then shape into a pointed body. Cut off 2 portions and make ball for the head.

2

Divide 1 portion of Black FIMO into 4 equal sections.

3

Shape 2 sections into arms and 1 section into a tail. Press the pieces onto the body.

4

Divide the remaining Black section into 2 pieces, shape into flattened balls for the feet. Use a modelling tool to make claws then press on the body.

5

Cut off a $\frac{1}{4}$ portion of Black, divide into 2 pieces then shape each piece into triangles for ears. Press onto the head.

Shape a small nose and press it onto the head. Use a cocktail stick to make holes for eyes. Press card strips in the FIMO to make a mouth and whiskers.

Divide a ½ portion into 2 sections. Roll each piece into a long thin strand. Roll the first strand into a ball, then wind the second piece around the outside.

Harden FIMO in a pre-heated oven at 110° C / 230° F for 30 minutes. Cool before handling.

What you need

Additionally required:

smooth working surface (glass or ceramic), modelling tool, cocktail stick, small strip of card
